Journey Itinerary

Black Sands and Dinner Plans

Day 1: Southern Charm

Today your Icelandic vacation starts. You are excited about discovering an Iceland that is often overlooked by tourists. As you and your co-travelers meet, you see that everyone shares in the excitement. Our tour director gives us a taste of what's to come and we leave Reykjavik, due south. Throughout the day we marvel at all the famous waterfalls and black-sand beaches in the south coast, but we continue eastward. Let's celebrate, together, a wonderful first day of much happiness with a delicious kick-off dinner!

- **OVERNIGHT:** HOTEL KLAUSTUR
- **MEALS:** DINNER
-  **EXPERIENCES:** SOUTH COAST WATERFALLS, BLACK-SAND BEACH, WELCOME DINNER

Iceberg Tango and Village Vibes

Day 2: Zipping Through Icebergs

You wake up well rested, feeling the peace and tranquility surrounding our hotel. “I’m in Iceland!” is your first thought. After breakfast we jump in a Zodiac boat tour and zip through the mirror-like waters of the Glacier Lagoon. Our jaws drop at the sight of a huge glacier just a hundred feet away. Icebergs, seals and local birds move freely around us. Later we walk the sands of Diamond Beach: large ice blocks sitting on black sand, reflecting the sunlight. In the afternoon we arrive in Höfn, a fishing village founded in 1897. That’s our home for the next 2 nights. On a walking tour we learn about the village and taste local delicacies along the way.

- **OVERNIGHT:** BERJAYA HÖFN HOTEL
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** ZODIAC BOAT TOUR, DIAMOND BEACH, HÖFN FOOD TOUR

Day 3: One Foot on a Volcano, Another on a Glacier

Day 3 of our vacation is enjoyed at a UNESCO world heritage site, Vatnajökull National Park. We have an infinity of landscapes to explore at this place. It is one of Nature’s works of art shaped by the dynamic forces of volcanoes and glaciers. Later, we share food and stories in an historic building with wooden floorboards, colorful artwork, and dimly lit candles. Everything in the restaurant is prepared from scratch and done by hand, using quality ingredients. You can feel and taste the authenticity. All very Icelandic.

- **OVERNIGHT:** BERJAYA HÖFN HOTEL
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** VATNAJÖKULL NATIONAL PARK, OPEN AFTERNOON FOR DISCOVERY

Forests, Canyons, and Puffin Hugs

Day 4: If a Tree Falls in Iceland, Does It Make a Sound?

Another outstanding breakfast and we head out, getting deeper into Iceland's east fjords region. That is also home to the country's only forest. In east Iceland we find a strong focus on nature conservation, original local art and much Icelandic hospitality. We will spend 2 nights in Egilsstaðir and experience outdoor hot tubs, incomparable views and the best of Icelandic food. Tranquility, cultural enrichment and adventure, all in one place for us to absorb.

- **OVERNIGHT:** HOTEL 1001 NOTT
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** STOKKSNES PENINSULA, EAST ICELAND NATURE

Day 5: A Canyon, a Farm and Puffins – Find the Connection!

It is Day 5 and you feel fantastic about everything. Let's get deeper into the essence of Iceland. Starting with geology, we explore a majestic canyon. It reveals towering basalt rock columns and a stunning blue-green glacial river. The area around it was inhabited only by sheep for a long time. Then, we meet the owners of a local, organic farm, tour their facilities and taste made-from-scratch dishes. Finally, we discover Seydisfjörður, a small village up north. You lose track of time as you stroll around the town's center, admiring the early 19th-century timber houses. Not far away, awaiting our visit, are rocky beaches, a puffin colony and ruins with stories to tell.

- **OVERNIGHT:** HOTEL 1001 NOTT
- **MEALS:** BREAKFAST, LUNCH
-  **EXPERIENCES:** CANYON HIKE, ORGANIC FARM TOUR & LUNCH

Geothermal Pools and Brewed Bliss

Day 6: Walking on the Moon

In the north of Iceland we find the Lake Myvatn region, home to mind-bending geological features. We see craters, lava fields, and hot springs. The sites tell a story of the raw natural forces that shaped Iceland's unique landscape. We explore this lunar landscape, full of surprises, then take a dip in a geothermal pool with a unique blend of minerals. Good for the skin, good for the soul. After a full day we arrive at our fjord-side hotel surrounded by mountains. Time to reflect on the day, eat, and rest.

- **OVERNIGHT:** SIGLO HOTEL
- **MEALS:** BREAKFAST
-  **EXPERIENCES:** LAKE MYVATN GEOLOGY, GEOTHERMAL BATHS

Day 7: Standing on North of North

There's something special about today: we are in Siglufjörður, Iceland's northernmost town. So, let's get out there and discover it! Choose what appeals to you the most: a guided hiking through scenic trails, or a walking tour to uncover the region's culture and history. Then, thirsty, we reach a family-owned craft brewery, housed in an old fish factory, for a private tour and tasting. Let's toast to the enchantment of East and North Iceland, a place of fishing villages, flowing waterfalls, mountain landscapes, and glaciers. Let's toast to a life-changing vacation!

- **OVERNIGHT:** SIGLO HOTEL
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** SIGLUFJÖRÐUR VILLAGE TOUR, OR SCENIC HIKE, CRAFT BREWERY VISIT & TASTING, FAREWELL DINNER

Day 8: Have Your Ice Cream and Eat It Too

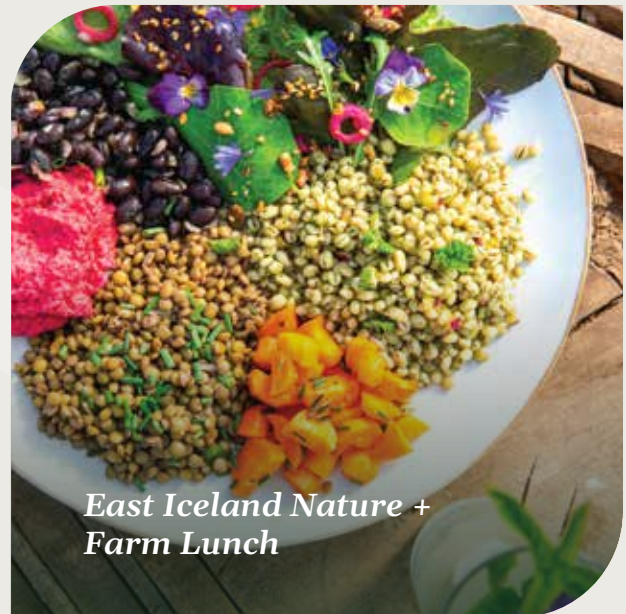

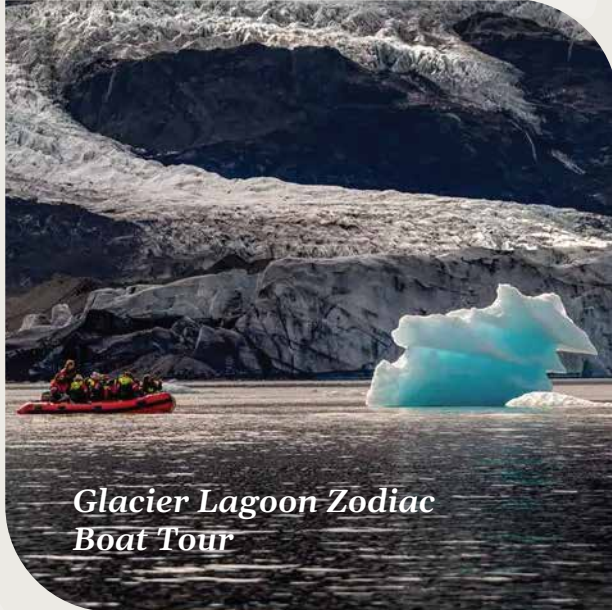

Day 8 is here and it is time to return to where it all started. We drive to Akureyri, Iceland's second largest city. There you can embrace a simple pleasure of Icelandic life – having an ice cream whenever you want, not just in warm weather – at a local landmark. On our 45-minute flight back to Reykjavik you reflect on just how spectacular the last 8 days have been. And you can't help it: you are already making plans for a return visit. You know you will be back!

- **MEALS: BREAKFAST**
-  **EXPERIENCES: AKUREYRI TOUR, FLIGHT TO REYKJAVIK**

The SilverOpus Group Experience: Reimagined for Excellence & Authenticity

Tribal Travel

First and foremost, we build experiences for sophisticated, curious and adventurous travelers ages 50 plus. That is our tribe. We have a solid understanding of what our tribe wants, how they expect to discover the world, so we build adventures around that knowledge.

Group Size & Tour Directors

Each of our departures is restricted to a maximum of 14 travelers, which guarantees a meaningful and intimate experience for all. Why such small groups? Because they are perfect for camaraderie to flourish. Laugh, exchange ideas, discover, talk, learn. Together. You are among friends. Old and new.

Leading each departure you will always find someone who does two things very well: 1) they are masters at sharing their knowledge and passion for the destination. Great story tellers. 2) They have the gift of taking care of people, ensuring that they feel comfortable, happy and safe. Caring leaders.

We are fully aware that at the heart of every outstanding travel experience is a great Tour Director, so we invest heavily in the people we hire to lead our programs. Our tribe deserves them!

Local Tour Guides

In every village, town and city visited in our programs live a few unique guys and gals who really, really, really love that town. They love it so much that they could talk about it all day long. They are entertaining, warm and immensely proud of the culture, history, food and people they represent.

Those are the guys and gals we pick for our local tours and excursions. Excellent people. Beautiful people whose words and passion become souvenirs that our travelers carry with them for the rest of their lives.

Itinerary Design

There are a few cornerstones present in every program we design. Nothing is by accident.

Balance is paramount. A strong itinerary covers some of the destinations famous attractions, but, most importantly, it must give you the opportunity to be with the locals. Walk the streets and see the houses, understand how people live there. Reflect. The final touch in the recipe is some open time, so you can roam around a bit and find your own favorite corners. Favorite memories, after all, are personal.

Hotels, Activities, Transportation & Meals

Hotels are more than just places to stay—they're key to your journey. Each property is chosen to ensure you feel like a guest of honor through ambiance, comfort, and exceptional service.

Authenticity matters. All our group programs include daily breakfast and several meals, letting you savor fresh, local dishes prepared with traditional care.

We balance luxury vehicles with local transport—trains, boats, and flights—to optimize comfort and sightseeing time. You'll spend your days exploring, not stuck in transit. Sustainability is at the heart of our choices, respecting each destination we visit.

To fully immerse yourself, every experience engages your senses. Each day unfolds differently, tailored to your fitness level, ensuring participation and personalization throughout your journey.

Absolute, 24/7 Support

Airplanes are the safest way to travel because of their redundant safety systems. We shamelessly copied that idea in what we do (why not?). If you need anything while traveling, your Tour Director is right there to assist you. Moreover, we have a network of suppliers at each destination, ready to work for you. And over here, in the USA, we have a team of highly-qualified professionals at your disposal before, during and after your travels. No question goes unanswered and no request is ignored. We do what it takes to give you absolute support.

The Final Quality Test

Before any new program is made available to our tribe, it must be approved by the founder and owner of SilverOpus: a tough-to-please engineer with sky-high expectations. Our tour designers, all of the highest caliber, know that they will be faced with one question: “would you take your spouse / family / friends on this adventure?” If the answer is not a ground-shaking “yes!!”, then the program returns to the drawing board, immediately.
