# Journey Itinerary

## Stars, Springs, and Serenity

### Day 1: Golden Circle and Highland Escape

The adventure begins. You meet the lucky few joining you on this journey, sensing the excitement buzzing through the group. Our tour director sets the tone with stories and laughter, and soon we're off—heading toward Highland Base, our remote luxury outpost for the next two nights. Along the way, we follow the famed Golden Circle, stopping at the Geysir Hot Springs. Steam rises, and the earth feels alive. By evening, we arrive at the edge of Iceland's wild heart. After a gourmet dinner, you step outside and feel the mystery of this untouched place settle in.

- **OVERNIGHT:** HIGHLAND BASE HOTEL
- **MEALS:** DINNER
-  **EXPERIENCES:** GEYSIR HOT SPRINGS, WELCOME DINNER

## Day 2: Hike, Admire, Relax, Rejuvenate

You enjoy breakfast slowly, taking in your surroundings and all that delicious food. Now you are ready to get out there, in the Icelandic Highlands. We all are! Today's scenic hike is something out of a movie, taking us through sizzling hot springs and geological formations that we have never seen before. You can also hop on an e-bike, if you prefer, and explore that way. Movement and conversations flow easily. Later this afternoon, we return to our base to rejuvenate our minds and bodies in the soothing geothermal waters of the Highland Baths.

- **OVERNIGHT:** HIGHLAND BASE HOTEL
- **MEALS:** BREAKFAST
-  **EXPERIENCES:** KERLINGARFJÖLL HIKE & HOT SPRINGS, OR E-BIKE TOUR, HIGHLAND BATHS

# Chasing Waterfalls and Walking on Lava

## Day 3: Go Chasing Waterfalls... In the South

We continue on the Golden Circle scenic route and head to the south coast of Iceland. Along the way, we stop for a unique lunch experience at an elaborate greenhouse where tomatoes grow year-round. Savor tomato soup, fresh-baked bread, and other goodies in a charming, plant-filled environment. Throughout the day, we stop at many of the awesomely powerful waterfalls that define the region and its rugged beauty. Later on, our boutique hotel welcomes us. Everything is gorgeous, warm, and inviting.

- **OVERNIGHT:** SKÁLAKOT MANOR HOTEL
- **MEALS:** BREAKFAST, LUNCH
-  **EXPERIENCES:** GOLDEN CIRCLE SCENIC ROUTE, GREENHOUSE LUNCH & TOUR

## Day 4: Would You Rather Walk on a Glacier or Ride Icelandic Horses?

Today, we jump into a tremendous adventure, but you have options. You can experience the unique thrill of riding an Icelandic horse along hills and mountains to the Írafoss waterfall. Or, instead, you can choose to embark on a guided glacier hike. Either way, mind-blowing views or a powerful sense of connection with Nature are inevitable. At night, we enjoy a hearty dinner made with fresh, local ingredients and share stories from the day with our group. Then, happy and relaxed, it is time to retreat to the comfort of our luxurious accommodations for a restful night.

- **OVERNIGHT:** SKÁLAKOT MANOR HOTEL
- **MEALS:** BREAKFAST, DINNER
- **S EXPERIENCES:** ICELANDIC HORSEBACK RIDE, OR GLACIER WALK, OPEN AFTERNOON FOR DISCOVERY

## Day 5: Experience What Tourists Insist on Missing

Today, we discover another “secret” of Iceland: the Westman Islands. Volcanic activity in the region furiously engulfed the little islands more than 50 years ago. Its landmass increased in size by about 20%, almost overnight, from solidified lava. We’ll hike to the top of the Eldfjall volcanic crater, the source of that eruption, and see the added section. At Eldheimar Museum, we will see actual homes buried in the lava and objects frozen in time, exactly as they were when it all happened in 1973. Goosebumps are guaranteed. On the south side of the islands, we search for puffins. Then, we toast to a fantastic week and all the wonderful memories made, at our closing dinner.

- **OVERNIGHT:** SKÁLAKOT MANOR HOTEL
- **MEALS:** BREAKFAST, DINNER
- **S EXPERIENCES:** WESTMAN ISLANDS, ELDHEIMAR MUSEUM, FAREWELL DINNER

## Day 6: Don't Tell Me This Is Over!

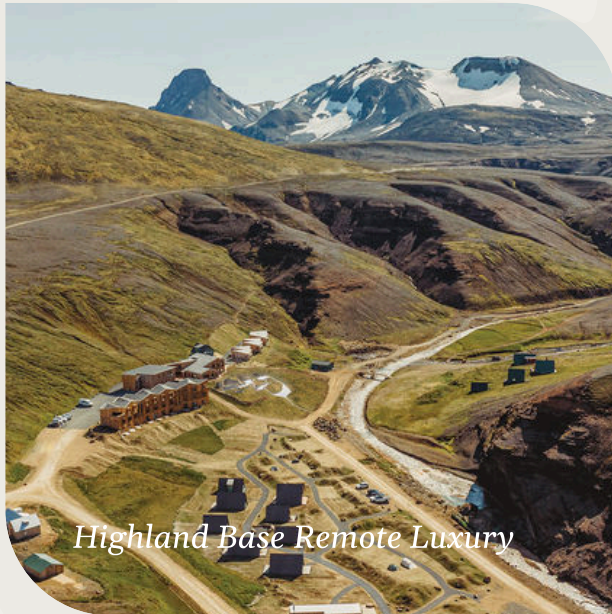

After a delicious breakfast, we return to Reykjavik, where it all started. But before we get there, we make one more stop at another awe-inspiring waterfall. Quietly, you wonder if the droplets rolling down your face come from the mist or from thoughts of your perfect vacation coming to a conclusion. Regardless, you know that the life-long memories, stunning photos, and new friends are yours forever. You also know you'll be back. That you know!

- **MEALS:** BREAKFAST
-  **EXPERIENCES:** ICONIC WATERFALL VISIT

## Tribal Travel

First and foremost, we build experiences for sophisticated, curious and adventurous travelers ages 50 plus. That is our tribe. We have a solid understanding of what our tribe wants, how they expect to discover the world, so we build adventures around that knowledge.

## Group Size & Tour Directors

Each of our departures is restricted to a maximum of 14 travelers, which guarantees a meaningful and intimate experience for all. Why such small groups? Because they are perfect for camaraderie to flourish. Laugh, exchange ideas, discover, talk, learn. Together. You are among friends. Old and new.

Leading each departure, you will always find someone who does two things very well: 1) they are masters at sharing their knowledge and passion for the destination. Great storytellers. 2) They have the gift of taking care of people, ensuring that they feel comfortable, happy, and safe. Caring leaders.

We are fully aware that at the heart of every outstanding travel experience is a great Tour Director, so we invest heavily in the people we hire to lead our programs. Our tribe deserves them!

## Local Tour Guides

In every village, town, and city visited in our programs live a few unique guys and gals who really, really, really love that town. They love it so much that they could talk about it all day long. They are entertaining, warm, and immensely proud of the culture, history, food, and people they represent. Those are the guys and gals we pick for our local tours and excursions. Excellent people. Beautiful people whose words and passion become souvenirs that our travelers carry with them for the rest of their lives.

## Itinerary Design

There are a few cornerstones present in every program we design. Nothing is by accident. Balance is paramount. A strong itinerary covers some of the destinations' famous attractions, but, most importantly, it must give you the opportunity to be with the locals. Walk the streets and see the houses, and understand how people live there. Reflect. The final touch in the recipe is some open time, so you can roam around a bit and find your own favorite corners. Favorite memories, after all, are personal.

## Hotels, Activities, Transportation & Meals

Hotels are more than just places to stay—they're key to your journey. Each property is chosen to ensure you feel like a guest of honor through ambiance, comfort, and exceptional service. Authenticity matters. All our group programs include daily breakfast and several meals, letting you savor fresh, local dishes prepared with traditional care. We balance luxury vehicles with local transport—trains, boats, and flights—to optimize comfort and sightseeing time. You'll spend your days exploring, not stuck in transit. Sustainability is at the heart of our choices, and we respect each destination we visit. To fully immerse yourself, every experience engages your senses. Each day unfolds differently, tailored to your fitness level, ensuring participation and personalization throughout your journey.

## Absolute, 24/7 Support

Airplanes are the safest way to travel because of their redundant safety systems. We shamelessly copied that idea in what we do (why not?). If you need anything while traveling, your Tour Director is right there to assist you. Moreover, we have a network of suppliers at each destination, ready to work for you. And over here, in the USA, we have a team of highly-qualified professionals at your disposal before, during and after your travels. No question goes unanswered and no request is ignored. We do what it takes to give you absolute support.

## The Final Quality Test

Before any new program is made available to our tribe, it must be approved by the founder and owner of SilverOpus: a tough-to-please engineer with sky-high expectations. Our tour designers, all of the highest caliber, know that they will be faced with one question: “Would you take your spouse/family/friends on this adventure?” If the answer is not a ground-shaking “yes!!”, then the program returns to the drawing board, immediately.
