# Arctic Elegance: Winter in Finland & Sweden

SMALL-GROUP TOUR: 4 TO 14 PEOPLE

FEB 2027

SILVEROPUS™

# Stockholm to Helsinki. The Arctic in Between.

Nine days from Stockholm to Helsinki, with the Arctic in between. This program moves through four cities and four completely different luxury hotels – each one a destination in itself – while the experiences that connect them are unlike anything else in Lapland: a professional Northern Lights photography safari, a hands-on Sámi cultural immersion around a reindeer corral fire, glass-domed igloo suites above the Arctic Circle, and the original Icehotel, rebuilt every winter from the frozen Torne River. Sweden and Finland, bridged by the aurora. Cold outside, warm within, and a sky that earns every superlative it has ever received.

Tour Focus:  
Aurora. Luxury. Authenticity.

# Journey Itinerary

## Day 1: Stockholm Arrival and Welcome Dinner

You arrive in Stockholm and are transferred to the hotel, where your Local Host and fellow travelers are waiting. Stockholm announces itself immediately – a city of royal palaces, medieval lanes, and waterways that thread between fourteen islands. There is barely time to take it all in before the group gathers for a welcome dinner, Nordic flavors on the table and the journey officially, warmly, begun

- **OVERNIGHT:** HOTEL KUNGSTRÄDGÅRDEN
- **MEALS:** DINNER
-  **EXPERIENCES:** AIRPORT TRANSFER; MEET & GREET WITH LOCAL HOST; WELCOME DINNER
- **OPTIONAL ADD-ON:** STOCKHOLM CITY TOUR

## Day 2: Flight to Kiruna and Northern Lights Photography Safari

A short flight north delivers you to Kiruna and to a different world entirely: snow-covered forests, Arctic air, and a sky that darkens early and dramatically. After settling into the hotel and a free afternoon to explore or relax at the spa, the group gathers for dinner at a restaurant rooted in Kiruna's extraordinary mining heritage. Then the real reason for coming north begins: bundled up and camera ready, the group heads into the wilderness on a guided Northern Lights photography safari. The aurora, when it comes, is everything.

- **OVERNIGHT:** ELITE FROST HOTEL
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** FLIGHT: STOCKHOLM-KIRUNA; NORTHERN LIGHTS PHOTOGRAPHY SAFARI

## Day 3: Kiruna City Tour, Jukkasjärvi Village, and the Icehotel

A local guide introduces the group to Kiruna's extraordinary story – a city shaped by iron ore mining and space science, currently in the process of being physically relocated to save it from the ground subsiding beneath it. The group continues to Jukkasjärvi, a riverside village where an Old Homestead museum and a traditional lunch of reindeer stew with fresh flatbread offer a first taste of genuine Arctic life. The afternoon brings the Icehotel, rebuilt every winter from the frozen Torne River, its shimmering walls and sculpted chambers a genuinely surreal experience.

- **OVERNIGHT:** ELITE FROST HOTEL
- **MEALS:** BREAKFAST, LUNCH
-  **EXPERIENCES:** KIRUNA CITY TOUR, JUKKASJÄRVI VILLAGE VISIT; TRADITIONAL REINDEER STEW LUNCH; ICEHOTEL ART EXHIBITION
- **OPTIONAL ADD-ON:** OVERNIGHT STAY IN AN ICEHOTEL ICE SUITE

## Day 4: Open Day in Kiruna

Today is yours. Kiruna rewards unhurried exploration: a walk through the snowy streets under the low Arctic winter sun, a visit to the striking new Kiruna Church, local craft shops, or an afternoon at the hotel spa. For those who want more, optional excursions are available: snowmobiling through the surrounding forest or a scenic snowshoe trek through the wilderness. However the day unfolds, Kiruna has a way of revealing a little more of the far north's particular magic at every turn.

- **OVERNIGHT:** ELITE FROST HOTEL
- **MEALS:** BREAKFAST
-  **EXPERIENCES:** OPEN DAY IN KIRUNA
- **OPTIONAL ADD-ON:** SNOWMOBILING; SNOWSHOE TREK

## Day 5: Sámi Experience, Cross into Finland, and Halo Igloos

The morning brings one of the program's most distinctive and memorable experiences. Deep in Sámi country, the group is welcomed into an old reindeer corral where hands-on traditions – herding, fire cooking, storytelling – unfold in the company of people whose relationship with this landscape goes back thousands of years. Traditional food is shared around the fire. After lunch, the group crosses into Finland and continues to Rovaniemi, where the evening arrives at the Halo Igloos: glass-domed suites above the Arctic Circle, surrounded by pine forests and open skies, designed for one purpose: sleeping under the Northern Lights.

- **OVERNIGHT:** HALO IGLOOS
- **MEALS:** BREAKFAST, LUNCH, DINNER
-  **EXPERIENCES:** HANDS-ON SÁMI CULTURAL EXPERIENCE; TRADITIONAL SÁMI LUNCH; CROSS INTO FINLAND; HALO IGLOOS ARRIVAL

## Day 6: Rovaniemi by Day and Night

The morning offers two exceptional ways to experience Finnish Lapland. The first: cross-country skiing through silent snow-covered forests, with guidance on technique and time to stop and photograph the landscape. The second: a husky sled ride driven by a professional musher through the icy wilderness: exhilarating and deeply memorable. The afternoon explores Rovaniemi's cultural landmarks and the story of Arctic life, with the option to cross the Arctic Circle at Santa Claus Village for a commemorative certificate. As night falls, the glass dome above your Halo Igloo suite frames the sky.

- **OVERNIGHT:** HALO IGLOOS
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** CROSS-COUNTRY SKIING OR HUSKY SLED RIDE; ROVANIEMI CULTURAL LANDMARKS; OPTIONAL ARCTIC CIRCLE CROSSING

## Day 7: Flight to Helsinki and Afternoon Arrival

A short flight south brings the group to Helsinki, where urban sophistication meets the Baltic Sea. The contrast with Lapland is immediate and welcome – the city's compact, design-forward streets, frozen harbor, and warm interiors are a different kind of Nordic beauty. Hotel Haven, a boutique retreat beside the harbor, provides the perfect base. The afternoon is free to explore: snowy streets, Finnish design shops, or a candlelit café as the winter light fades. It is a quiet, beautiful arrival in one of the world's happiest capitals.

- **OVERNIGHT:** HOTEL HAVEN
- **MEALS:** BREAKFAST
-  **EXPERIENCES:** FLIGHT: ROVANIEMI-HELSINKI; AFTERNOON IN HELSINKI

## Day 8: Helsinki Walking Tour and Farewell Dinner

A guided walking tour covers Helsinki's most compelling landmarks – Senate Square's neoclassical grandeur, the serene Esplanade, the extraordinary Oodi Central Library. At the same time it shares stories of design, sustainability, and daily life in a city that consistently ranks among the world's most livable. There is time to explore independently before the group gathers for a farewell dinner: laughter, reflections, and a final toast to the journey and to the friendships formed somewhere between the Stockholm welcome table and the Lapland sky.

- **OVERNIGHT:** HOTEL HAVEN
- **MEALS:** BREAKFAST, DINNER
-  **EXPERIENCES:** HELSINKI WALKING TOUR; FAREWELL DINNER

## Day 9: Departure from Helsinki

After breakfast at Hotel Haven, the journey concludes. Helsinki's harbor is outside, the Baltic frozen at the edges, and nine days of extraordinary Nordic winter behind you. Stockholm, Kiruna, Rovaniemi, Helsinki – four cities, two countries, one Arctic sky. The memories, as it turns out, are very easy to keep.

- **MEALS:** BREAKFAST
-  **EXPERIENCES:** TRANSFER TO HELSINKI AIRPORT

# Discover Our Signature Experiences

We don't avoid the places everyone visits — some of them are popular for good reason. But we go further, digging deeper into each destination to find the experiences that most tours never reach.

# The SilverOpus Group Experience Designed, Not Accidental

At SilverOpus, all group tours are engineered from the same principles. First, we think of the destination. Then, we imagine a large bus full of tourists in a crowded spot in that destination. Then, we ask ourselves: “How do we build an experience that is the exact opposite of that?” That single question ignites the magic!

## Group Size & Local Hosts

Each departure is capped at 14 travelers: small enough for real camaraderie, large enough for great conversation. Leading every group is a Local Host who excels at two things: sharing deep knowledge and genuine passion for the destination, and taking exceptional care of the people in their charge. We invest heavily in finding and keeping these individuals, because we know they are at the heart of every outstanding journey.

## Tribal Travel

Everything we design starts with a clear picture of who we serve. Our travelers are sophisticated, curious, adventurous, and nowhere near done with the world. We know what they want, how they want to discover it, and what they refuse to settle for. Every program we build reflects that understanding.

## Local Tour Guides

In every town and city we visit, we seek out the locals who love their home so much they could talk about it all day. Warm, proud, and deeply knowledgeable, these guides don't just show you a place – they allow you to feel it. Their words and passion become souvenirs our travelers carry long after the journey ends.

## Itinerary Design

Balance is the cornerstone of every program we design. We cover the destination's unmissable highlights, but always make room for the quieter moments: the residential streets, the local rhythms, the open time to wander and find your own favorite corners. The best travel memories are personal, and we build space for them deliberately.

## Hotels, Activities, Transportation & Meals

Every hotel we choose is selected to remind you that you are a guest of honor at a remarkable destination. Meals feature fresh, locally sourced, traditionally prepared food: daily breakfasts and several lunches and dinners are included in every program. For transportation, we combine luxury vehicles with trains, boats, and local transit to maximize sightseeing and minimize time in transit. Activities are designed to engage all your senses, with variations built in to accommodate different fitness levels.

## Absolute, 24/7 Support

Your Local Host is with you every step of the way. Behind them is a network of local suppliers at each destination, and back home in the USA, a full team ready to answer every question before, during, and after your journey. No request goes unanswered. We do whatever it takes.

## The Final Quality Test

No program reaches our travelers without passing one final test. Every new itinerary is reviewed by SilverOpus's founder, a self-described tough-to-please engineer with sky-high expectations. The question back to the designers is always the same: "Would you take your spouse, family, or friends on this journey?" Anything less than an emphatic yes goes straight back to the drawing board.
